

## ***"Unleash Your Creative Side" Costuming Workshop***

Costuming Makes or Breaks the Presentation. Confidence and pride in our appearance shines through in our dancing! You don't have break the bank to create your costumes, you just need an imagination and to unlock your creative side. We will discuss what how to turn "trash to treasure" using found items such fabric remnants, beads, coins, chains, leather, shells, flowers, jewelry findings, belts, scarves, yarn, old skirts, old pants, pillow covers, etc.! Tips, tricks, patterns, and how to avoid basic "wardrobe malfunction" will also be explored. Tassel making tutorials, videos will also be shown to review costuming elements and sources for patterns will also be shared!

It's all about "Trash to Treasure" in this workshop. Collect and bring your materials to brainstorm for your costume. It is highly encouraged to bring any potential costuming materials for swapping.
